

LAND PARTY

Membership Termination

2019-05-22

Mr Tonic Manchidi,

The leadership of the Land Party wishes to advise you that your LAND Party membership is officially terminated with immediate effect on this day, 22 May 2019. Article 7 of the LAND Party Constitution refers:

In the event that a probationary member has failed to perform his or her obligations or to meet the criteria for full membership, his or her probationary membership shall be revoked.

Further to your failure to perform your obligations to the Party, the decision to terminate your membership is based on the following, but not limited to:

1. Tarnishing the reputation and image of the Land Party.
2. Indecent assault and harassment of female members of the party.
3. Sowing division and distrust amongst party members.
4. Disrespecting and undermining the authority of the Chief Leader.
5. Disobeying lawful instructions.
6. Misrepresenting the Land Party publicly.
7. Violating the membership declaration in several respects including the confidentiality and loyalty prescripts.
8. Gross misconduct, unconstitutional behaviour and fraud.

As a consequence of your abovementioned conduct, the relationship of trust between yourself and the Chief Leader and other senior members of the party has broken down to such an extent that any future relationship with the party or leadership is impossible.

In light of the full and final termination of your membership:

1. You are not permitted to represent LAND Party at any level of engagement.
2. You are prohibited from using the LAND Party name, logo and brand on any platform or in any communications. This includes the prohibition of posting on social media, speaking to print, radio or television media and wearing LAND Party regalia.
3. You are prohibited from conducting any business on behalf of LAND Party or performing any functions/duties linked with the execution of your duties as a member of the LAND Party.
4. You are not permitted to contact any member, affiliates, supporters or contractors of the LAND Party.
5. You are instructed to hand in all material, assets and property in your possession that belongs to the LAND Party.
6. You are not permitted to share any confidential or organisational information related to the LAND Party.

Should you disregard the contents of this letter we will have no option but to approach the High Court for an appropriate order at your cost.

We wish you well on your journey ahead.

Yours Faithfully,
Chief Leader
